Dear Catherine:

Re: Commercial Package Policy #5Y0001036
Effective: April 1, 2019 - April 1, 2020
Insurer: Intact Insurance

It is with pleasure that I attach your insurance policy renewal.

The value of business property fluctuates due to inflation, acquisitions and disposals. Your insurer may have increased the insured value of certain items on your policy to account for general inflation. Please review the replacement value of all your business assets and inform me of any changes required to your policy. If you require assistance on how to assess the value of your assets, I recommend that you consult a property valuation professional.

Please note your policy does not include coverage for non-owned automobiles. Kindly review the enclosed comments and recommendations and call me if you wish to add or increase any of the coverages on your policy.

The premium for your policy is \$1,701.00 including tax. A Statement of Account is attached, outlining your payment options.

There are exclusions in your policy for any damages that are caused by acts of terrorism, fungi & fungal derivatives (mold), asbestos or controlled drugs & substances (e.g. growing of marijuana plants) or lost or damaged electronic data.
